**OPEN LIVESTOCK SHOW**

Open, non-sale livestock classes are not part of the 2021 Fair due to pandemic adaptations and streamlining of the 4-H & FFA Livestock Show and Sale program moving forward. No commercial and/or purebred animals will be accepted in 2021.

See the Livestock Exhibition Contests rules for Pet Class entries. Pre-register your pet entry via email: [highlandcountyfairva@gmail.com](mailto:highlandcountyfairva@gmail.com) at least two weeks prior to fair entry day so pens can be planned.

The Highland County Fair is seeking a 2022 Open Show coordinator. If you are interested in this leadership position or know someone that would be interested, please email: [highlandcountyfairva@gmail.com](mailto:highlandcountyfairva@gmail.com)
