### **AGRICULTURAL EXHIBITS**

Agricultural exhibits will be entered and displayed in the Elementary School gym. Exhibits must be registered between 4 p.m. and 8 p.m. on Tuesday of Fair week, with judging occurring on Wednesday morning. All products shown must have been grown by exhibitor during the current year.

Exhibits should be clean, blemish-free and in prime condition. Amounts in displays must conform to the amounts stated in the catalog to be judged. For exhibits where multiple samples are required, all should be uniform in size. Exhibits should not be the largest, except in "largest" classes. If known, exhibitors should label the variety of each exhibit.
