

**Shenandoah Valley Tractor Pullers Association
Garden Tractor Pull
Friday, September 2nd, 6 PM, Grandstand**

Awards sponsored by the Highland County Fair Association

All drivers and tractors are registered with the Sanctioned Body and SVTPA. For membership forms, visit: <https://svtpa.com/membership-forms> email: ipull34you@comcast.net

SVTPA considers garden tractor pulling to be a family-oriented sport, with pullers as young as 8 years old. Our goal is to have clean, competitive fun while promoting the sport, with safety always in mind. We love to put on a great show for our supporters. The SVTPA owned sled "The Hammer" is licensed, inspected, and insured by the North American Sled Owners Association to provide the safest environment possible for all.
